Dear Mr. Senft,

I would like to thank you and your colleagues for attending the Health and Legal Clinic which was held at the Brentwood Library on May 15, 2014.

At the forum, Councilman Flotteron distributed a flyer indicating an “Informational” meeting to be held on May 20, 2014 at 6:30pm regarding Roberto Clemente Park.

As per my request at the forum, our residents should be notified via a “robo-call” paid by the Town in English and Spanish. Furthermore, any information disseminated by the Town of Islip should always be in English and Spanish in an effort to be empathetic to the demographics found within the district.

In continuing to be emphatic to our residents of Brentwood and Central Islip, I am requesting you have either interpretation devices or an interpreter to assist residents.

Sincerely,

A handwritten signature in black ink that reads "MR Martinez".
